Importance of Home

The importance of home is universal — and it's why so many people have been inspired to make Habitat for Humanity's mission their own. Through gifts of time and talent and the raising of walls and funds, volunteers, donors, advocates, staff, and partners have carried the work forward to ensure that every family in every community can achieve from the foundation of a strong and stable home.

THANK YOU

Habitat for Humanity serving Green Lake, Marquette, and Waushara Counties would like to say thank you for grants and donations!

Meet The New Board Members!!

Alex Liebert - Treasurer

Alex is married, with no kids, but has two dogs, a black lab, Bob, and a beagle, Oliver. He enjoys spending free time outside, with his dogs and wife. Alex also watches and attends baseball and hockey games. He practices meditation each day and enjoys doing research or reading books. His background consists of enlisting in the Marine Corps at 17 and being on active duty from March 2014-June to 2019. In the Marines, he was a Finance Technician and when he was honorably discharged, he worked at U.S. Bank as a loan documentation specialist. In October 2019 Alex decided to leave the financial world and went to work as a correctional officer as a sergeant for the Wisconsin Department of Corrections. In February 2022 he started at Fortifi Bank as a commercial loan operations specialist. Alex is actively pursuing a bachelor's degree in finance and economics through Grand Canyon University.

Mary Hilbert – Vice President

Mary (Butters) Hilbert grew up in Ripon, WI. After graduating from college, she moved to Illinois to pursue a career in banking. 35+ years later, Mary returned to the area and is a full-time resident of Wautoma. She is married and has one daughter. She enjoys interior design, gardening, and spending time with family and friends. Mary is very excited to join the Habitat family and is looking forward to volunteering her time to help the community.

Help Us Continue Our Mission and Vision

What is Habitat's Home Buyer Program?

Habitat for Humanity serving Green Lake, Marquette, and Waushara Counties partners with qualified low-income individuals and families in one of the three counties to build new construction. Habitat extends a 0% interest mortgage loan to qualified applicants. Monthly mortgage payments include repayment to Habitat for the home (principal), as well as property taxes and homeowners' insurance (escrow).

What Are the Guidelines for The Home Buyer Program?

Applicants must demonstrate a NEED for adequate housing due to any of the following situations:

- Housing costs (rent = utilities) exceed 30% of gross monthly household income
- Housing is subsidized or transitional.
- Housing is structurally substandard, unsafe, or unhealthy.
- Housing is overcrowded.
- Housing is inaccessible or does not meet the needs of individual family members.

Applicants must be comfortable with a monthly mortgage payment of \$450 to \$800 (payments are determined by household income) and must have enough income through stable employment or other forms of permanent income to afford a home and all basic living expenses.

**The application process will be opening soon.
If you know someone who would qualify, please
have them call or email us.**

Fill The House

We are raising funds to close the gap on the increase in building materials to build an affordable home in 2023! If we can get 1000 or more individuals, businesses, and/or churches to donate \$25-\$100 we will be on our way to helping a low-income family build stability, strength, and hope. **It is a hand up not a handout!** 🙌

Donations: Checks can be mailed/dropped off:
